

## **Shipping**

We ship orders all over Romania with Nemo Express. The packages are delivered in 1-2 business days after being sent.

We ship worldwide with TNT and Romanian Post. We try to keep the shipping costs as low as possible.

Standard Shipping in Europe : 5-7 business days shipping time, via Romanian Post Priority Service, tracked service. Depending on the route to the destination country, daily updates might not be available.

Express Shipping in Europe via TNT: the usual shipping time is 2-3 business days, depending on your location. However, for far away hardly accessible zones, the shipping time could be extended up to 10 business days.

Standard Shipping outside Europe : 10-14 business days shipping time, via Romanian Post Priority Service, tracked service. Depending on the route to the destination country, daily updates might not be available.

Express Shipping outside Europe via TNT, the usual shipping time is 3-5 business days, depending on your location. However, for far away hardly accessible zones, the shipping time could be extended up to 10 business days.
